Greg spoke at the Chapter's Santa Rosa lunch in 2008 and received a 100% excellent approval rating. We are excited to have him back for a full 4 hours. Greg has 34 years experience in public accounting. He has authored coursework and instructed at an annual UC Davis Extension course on Taxation and Accounting for Wineries/Vineyards. He has become a very popular speaker for many tax and accounting groups.

Take advantage of this rare opportunity to focus on taxation for wine growers and producers.

Refund requests must be postmarked by September 14, 2010. Refunds are subject to a service charge of \$25.
